

The Annual Appeal:

The Immaculate Heart School Annual Appeal provides a crucial source of non-tuition funding to our operating budget. Fundamental to our mission, we strive to keep tuition affordable to as many families as possible. The Annual Appeal helps us achieve this goal.

Tuition alone does not cover the costs of running our schools. Funds from the Immaculate Heart School Annual Appeal bridge that gap by supporting key academic, co-curricular and faith formation programs. It provides additional funds for faculty professional development, materials for academic departments and funds for much needed tuition assistance.

Critical to our Mission:

Simply put, the Immaculate Heart School Annual Appeal is the most important initiative the school undertakes each year. Money raised through the Annual Appeal supports our mission. It is the vehicle through which alumni, parents and friends can truly make the difference in the lives of many deserving young men and women.

Your gift to the Annual Appeal helps make the dream of an Immaculate Heart education a reality.

Please join us in this partnership.

How Do I Help?

The attached pledge card has all of the details. You can make your gift to the Annual Appeal by mailing in a check with the pledge card or you can pledge an amount to be paid by the end of the fiscal year ending June 30, 2006. You may also make your gift by using a credit card.

When Should I Give.

Give at the time of the year that works best for you, but consider returning the attached response envelope right away outlining your intentions. This helps us to plan better and make better use of your gift.

How Much Should I Give?

Give what you can. All gifts, large and small, make a difference. It is our hope that you can make a stretch investment. Please consider becoming a member of our President's Circle.

On a beautiful campus located in the Catalina foothills, offering a safe and secure environment, Immaculate Heart School is a fully accredited college-preparatory school serving the needs of individual students from pre-kindergarten through twelfth grade. Our tuition philosophy at our Immaculate Heart Schools is to keep tuition as affordable as possible to as many families as possible. It is critical to our mission that we provide an Immaculate Heart education to *any* qualifying young man or woman who desires one, regardless of family income. We believe in values-based education and that we have a responsibility to educate the "whole" person preparing our children for college and for life.
